Deborah K. Taylor, CIA, CGAP
County Auditor
Jackson County

Room 306

Dear Ms. Taylor:

We have completed a peer review of the Jackson County Internal Audit Office for the period June 28, 2008 to June 17, 2011. In conducting our review, we followed the standards and guidelines contained in the *Peer Review Guide* published by the Association of Local Government Auditors (ALGA).

We reviewed the internal quality control system of your audit organization and conducted tests in order to determine if your internal quality control system operated to provide reasonable assurance of compliance with *Government Auditing Standards* issued by the Comptroller General of the United States. Due to variances in individual performance and judgment, compliance does not imply adherence to standards in every case, but does imply adherence in most situations.

Based on the results of our review, it is our opinion that the Jackson County Internal Audit Office internal quality control system was suitably designed and operating effectively to provide reasonable assurance of compliance with *Government Auditing Standards* for audits during the period June 28, 2008 to June 17, 2011.

We have prepared a separate letter recognizing areas in which we believe your office excels.
