Contents

CHAPTER A. Inventory of Existing Conditions

Introduction
Airport Role
Airside Facilities
Landside Facilities
Airspace System / Navigation and Communication Aids
Airport Environs
Environmental Review Inventory
Summary

CHAPTER B. Forecasts of Aviation Activity

Introduction
Historical Airport Activity Summary
Historical Based Aircraft Summary
Passenger Enplanement Forecast
Commercial Service Operations Forecast
General Aviation Operations Forecast
Air Taxi Operations Forecast
Air Cargo Forecast
Military Operations Forecast
Operations Forecast by Aircraft Type
Local and Itinerant GA Operations Forecast
Peak Period Forecast
General Aviation Based Aircraft Forecast
Summary
Contents (Continued)

CHAPTER C. Capacity Analysis and Facility Requirements

  Airfield Capacity Methodology C.1
  Airfield Capacity Analysis C.8
  Ground Access Capacity C.10
  Airfield Facility Requirements C.12
  Landside Facility Requirements C.24
  Summary C.29

CHAPTER D. Development Concepts and Alternatives Analysis

  Goals and Objectives for Development D.2
  Runway 14/32 Instrument Approach Improvement Analysis D.3
  Airside Development Concepts and Sketches D.5
  Landside Development Concepts and Sketches D.17
  Alternatives Environmental Screening D.29
  Conceptual Development Plan D.31

CHAPTER E. Conceptual Development Plan

  Initial Conceptual Development Plan (Phase I) E.1
  Ultimate Conceptual Development Plan (Phase II) E.3
  Instrument Approach Considerations E.5
  Engineering Considerations E.5
  Environmental Considerations E.6
  Conceptual Development Plan Summary E.21

CHAPTER F. Airport Plans

  Airport Layout Plan F.1
  Airspace Plan F.6
  Inner Portion of the Approach Surface Drawings F.10
  Departure Surface Drawings F.16
  Terminal Area Plans F.19
CHAPTER G. Development Program

Introduction
Implementation Schedule and Project List
Cost Estimates (to be included in Draft Final Report)
Capital Improvement Program (CIP)
Phasing Plan
Financial Plan and Implementation Strategy
Sources of Capital Funding

CHAPTER H. Financial Implementation Plan

Introduction
Estimated Project Costs and Development Schedule
Sources and Uses of Capital Funding
Projected Operations and Maintenance Expenses
Projected Operating Revenue
Financial Analysis Summary for the Master Plan Capital Improvement Program
Financial Analysis Tables

APPENDIX – Airport Critical Habitat and Species Inventory
