

Jackson County Community Justice Graffiti Removal Request / Release of Liability

I, the undersigned owner of the property listed below, or authorized agent representing the property owner, hereby consent to entry upon said property by personnel and equipment of the Jackson County Community Justice department and community work service participants, as is necessary to carry out the community service project requested by the owner. I understand there is no cost for this service, but I may be responsible for providing the paint needed to complete the project.

I understand that graffiti removal/cleaning may be done in blocks or strips only where the graffiti appears and that the cleaned or processed area may not match precisely with the remaining areas of the building or structure being cleaned or painted. I further understand that it may not be possible to remove or cover up all graffiti and that some residue of the graffiti may remain.

By signing below, I acknowledge that I have requested and authorize Jackson County community service program staff and program participants to enter onto my property to use equipment and apply paint to buildings or structures on my property for the purpose of removing or covering up graffiti on my property. In consideration of the removal or covering up of graffiti on my property by the Jackson County community service program, I hereby release and hold harmless Jackson County and each of its officers, employees, agents and volunteers from and against any and all claims, demands, damages, actions, causes of action or obligations whatsoever arising out of or relating to entry on my property to remove or cover up graffiti and/or to the removal or cover up of graffiti on my property, including, but not limited to, any and all claims for property damage, personal injury or claims related to the appearance of buildings or structures on my property.
