FIRE HARDENING MEASURES

Which of the following fire hardening measures have you included in your rebuilding plans?

- For more information on what qualifies for each measure, refer to the menu of incentivized fire hardening options.
- Check all measures that apply.
- Unless specifically indicated, the following measures could be applied to either a site-built residential structure, a site-built commercial building, or a manufactured home.
 - Roofing
 - Exterior wall covering
 - Vents
 - Overhangs, cantilevers, and projections
 - Walking surfaces of porches, balconies, and decks
 - Windows and skylights
 - Skirting (Manufactured homes only)
 - Accessory structure fire hardening

COMMERCIAL PROJECTS

Non-residential or non-personally owned properties will receive a 1099 tax form issued by Jackson County. A W-9 form will need to be included at the time of submission for this application.

I understand that submitting this application is not a guarantee of eligibility and that disbursement of grant funds is dependent on verification of my eligibility for the program and the completion of work on eligible fire hardening improvements. Additionally, distribution of grant funds is dependent on availability of those funds.
