

Roads and Bridges with Restrictions

- Bridges with load-limit restrictions are noted by bridge symbol  and ***bold italics*** below. **Over-limit permission will not be granted on these bridges.**
- The County does not maintain local-access roads, so the condition of bridges on these roads is unknown. Use at your own risk. Local-access roads with bridges include: Craiglea Drive, East Hills Drive, Easy Valley Lane, Eric Avenue, Maywood Way, and Sunnyview.
- Height restrictions are posted on three roads noted by  symbol below.
- Over-limit weight permission will only be given to those with deliveries on the load-limited road or when there is no alternate route. The shortest travel distance on the load-limited road is required. Load-limited roads may not be used as shortcuts, thoroughfares, or transfer locations.
- Length-limit restrictions are posted on two roads noted by  symbol below.

Before entering any load-limited road call 541-774-8184, Monday-Friday, 8:00 a.m.-5 p.m.
